

## Retirees Benefit Transition Resources

To our valued retirees:

On October 26, 2020, communication was sent to retirees of the City of Chester informing them of the transition from the current Medical, Prescription Drug, Dental, and Vision Care benefits offered through Meritain to the Hartford Plan for all Medicare-eligible retirees.

In an effort to support our retirees, we wanted to provide a list of available resources to help you through this transition. Please see below a list of points of contact, a website, and an upcoming event flyer that can all be used as an opportunity for you to ask questions and seek support in continuing your healthcare coverage.
